Thank's For The Developer

Hi there.. I'm shawne and i'm new in here.. Although i'm new but i really like this kind of portal, It fits my needs.. But sometimes it really hard to figure how to add something, But now with the help from the Webmaster I mean the developer, i think it's easy for me to use it why not u do it.. just ask here.. they will soon reply the answer of your questions.. I added a new language for my Portal and it calls Malaysian Language and i would like to give this to mRDeveloper and would like to add more malaysian to this portal..

P/S THank's mRDeveloper!

This Is A Success Dreams!!
