

## Important fix for all MemHT Versions

07/09/2008 14:03 by mem

### All versions

- [Download fix for 3.9.0 version](#)

- **Fix it manually (all versions):**

**Open inc/inc\_statistics.php, find**

```
[code]$visitorInfo['resolution'] = $_COOKIE['stats_res'];[/code]
```

**Replace with**

```
[code]$visitorInfo['resolution'] = preg_replace("`[^0-9x]`is',"$_COOKIE['stats_res']);[/code]
```

*Note: Downloadable MemHT Portal 3.9.0 is already fixed*
